respectfully petition for the passage of a resolution providing for the elimination of the easement running from Lake Ave. to Delaware Ave. and between Pemberton Drive and Randalia. This easement or trail has been used mainly by students from Lakeside Junior High. Much vandalism, thefts have occurred and smoking, etc. has been seen. All garages have driveways leading to the street so there is no reason to continue having the easement. Also utility companies have easy access thru the owners property. We believe the elimination of this easement and reverting same back to the owners and by posting appropriate signs will cut down on the problems that we are confronted with.
